

ABOUT INTERNATIONAL CONFERENCE

The conference

The Youth Exchange will culminate in the project's international conference, which will take place on its last day and be co-created by the participants.

It will welcome 50 people including project partners, representatives of local communities, youth organizations, community centers, Placemakers Ambassadors Network as well as other relevant stakeholders and decision makers.

The content will include presentation of the concept, methodology, project results, policy recommendation to EU and networking. For this reason, the International Conference will likewise be open for attendance of the general public and in particular young people interested in the topic of placemaking for inclusion.

WHEN? 21st of November 2023 from 13:00 - 17:30

WHERE? Track at Brussels North Station -
Vooruitgangstraat 76, 1030 Schaarbeek.
